

## KAPPO SARAKU

### Greeting

KAPPO SARAKU is a stylish hideaway for discerning lovers of excellent Japanese cuisine and drinks, especially Sake.

We are located on Yanagi-no-banba dori, just south of Kyoto Imperial Palace.

Out of an appreciation of local produce blessed by the four distinct seasons of Kyoto, we serve elaborate Japanese dinners along with carefully selected, locally brewed Sake.

Come and relax in the delights of the consummate gourmet experience of KAPPO SARAKU.

We are looking forward to seeing you soon.

Shunsuke Sato (owner and managing chef)
